II The Contractor and the Contracting Officer agree, prior to the negotiation of the Definitive Contract, to review the nature of the items and the estimated prices of items set forth in Schedule 1, above, to determine whether any items are to be added or deleted or whether quantities of items should be increased or decreased, and to determine whether or not more realistic prices can be assigned to the items at that time. Schedule 1 prices stated above, or Schedule 1 prices assigned at time of negotiation of the Definitive Contract, are subject to redetermination of price, either upward* or downward, after completion of the work, in accordance with existing agreements between the Contractor and the Government with respect to nature and magnitude of the elements of cost (direct or indirect) and profit which will enter into the make-up of the final price and prices.**A similar procedure will be followed with respect to the final pricing of items in Schedule 2, except that in no event shall the cost to the Government for delivery of the items listed in Schedule 2, above, exceed ☐ irrespective of final cost to the Contractor of producing the items set forth in Schedule 2, above.

* Subject to a proper maximum price to be established in the definitive contract

For purposes of price redetermination, interplant purchases by Camera Works will be treated as material costs by that plant at prices estimated but not warranted not to exceed cost and not subject to post audit.

- III The Contractor shall, from time-to-time, submit to the Contracting Officer technical status reports indicating progress being made in delivery of the items set forth in Schedules 1 and 2. Such reports shall follow the standard format used by the Contractor in reporting under other Government contracts for procurement of similar items.
- IV Notwithstanding the provisions of the contract clauses set forth in this Letter Contract or incorporated therein by reference, the Contractor shall not reveal (i) the specific nature or details of the work being performed hereunder or (ii) any information whatsoever with respect to the Department of the Government sponsoring this contract and the work thereunder except as the Contractor is directed or permitted to reveal such information by the Contracting Officer or by his duly authorized representative for security matters, and notwithstanding any clause or section of this contract to the contrary. The Contractor shall not interpret any clause or section of this contract as requiring or permitting divulgence of such information to any person, public or private, or to any officer or department of the Government without the express consent of the Contracting Officer or his duly authorized representative for security matters.
